REGIONAL NOTES

- I have included the shipping addresses for the N and MW. Coyotes is open for delivery 9a-5p and Monday through Friday. The Beaumont is open for deliveries after 12 noon Monday through Friday.
- Geneva at Coyote's has agreed to keep the promotional items under lock and key while promoting the event with the banners and posters.
- The Beaumont club (John) has been notified that the delivery of promotional material will be arriving some time in the next week or two. He will keep the items under lock and key except for the posters which he will display. The local EC is already promoting the dance workshop and contest in her dance classes.
- Kathy, please remember you wanted to us to use your radios for the regional events. Let me know if this still holds true.
- I have been trying to get a hold of Damon all week, but I have not heard back form him. I need to know what his and Lisa's needs might be regarding mic, music etc.
